Sample Conflicts of Interest Contractual Provision

☐ Conflicts of Interest. X represents that it has disclosed to Hospital all relationships or financial interests that may represent or could be construed as a conflict of interest with respect to X’s transaction of business with Hospital. Except as may be disclosed in writing by X, X further represents that no employee, trustee or officer of Hospital is a partner, member or shareholder of, or has a financial interest in X. For purposes of this Section, the term “financial interest” shall include, but not be limited to, the following transactions or relationships between an employee, trustee or officer of Hospital and X - consulting fees, honoraria, gifts or other emoluments, or “in kind” compensation; equity interests, including stock options, of any amount in a publicly or non-publicly-traded company (or entitlement to the same); royalty income (or other income) or the right to receive future royalties (or other income); any non-royalty payments or entitlements to payments; or service as an officer, trustee, or in any other role, whether or not remuneration is received for such service. A breach of any representation under this Section shall be grounds for immediate termination of this Agreement.
