Terms and conditions

To ensure a successful exhibiting and/or sponsoring experience at the Health Care Compliance Association's (HCCA's) conference, please read the following Exhibitor & Sponsor Terms and Conditions ("Terms and Conditions") carefully. By submitting a booth space or sponsorship application, exhibitors and sponsors agree to abide by these Terms and Conditions, and any other rules and regulations set forth for this event, including any special requirements that are imposed by the facility at which the conference will be held ("Facility"). Exhibitor or Sponsor agrees and understands that these Terms and Conditions are contractual in nature, and become part of the contract between the exhibitor and HCCA relating to exhibitor's attendance and exhibiting activities at the HCCA 2018 Compliance Institute.

1. Eligibility to exhibit. Exhibitors' products and services must be relevant to the healthcare compliance profession. To exhibit, exhibitors must be in good financial standing with HCCA. HCCA has the right to refuse or terminate exhibit space rental if products, services, exhibitor behavior or displays are not appropriate and compatible with the general character or quality of the conference and cause undue interference with the effective operations of the HCCA and its staff. The rules, policies, and regulations outlined on this form and in the service kit are part of the exhibitor's contract with HCCA.

2. Space assignment. All dimensions and locations shown on the official floor plan are believed, but not warranted, to be accurate. HCCA reserves the right to make such modifications as may be necessary to meet the needs of the Exhibitors and the exhibit program.

(a) The first opportunity to reserve booth space for the 2018 HCCA Compliance Institute is at the 2017 HCCA Compliance Institute. This on-site selection is based on the HCCA Priority Point System.

Space assignments for the 2018 Compliance Institute are based on a priority point system using the following criteria:

- One (1) point per 10'x10' space at the 2017 HCCA Compliance Institute.
- Five (5) points for participation as a Platinum Sponsor of the 2017 HCCA Compliance Institute.
- Four (4) points for participation as a Gold Sponsor of the 2017 HCCA Compliance Institute.
- Three (3) points for participation as a Silver Sponsor of the 2017 HCCA Compliance Institute.
- Three (3) points per Platinum Sponsorship of a national HCCA conference from April 2016–March 2017.
- Two (2) points per Gold Sponsorship of a national HCCA conference from April 2016–March 2017.
- One (1) point per Silver Sponsorship of a national HCCA conference from April 2016–March 2017.
- One (1) point per table top space at a national HCCA conference from April 2016–March 2017.
- One (1) point per sponsorship or exhibit for each set of 3 regional conferences from April 2016–March 2017.
- Date HCCA receives exhibitor application (tie-breaker).

A priority point list is created for each year's space assignments in descending order from highest point total. The company with the highest point total will select space first, followed by the consecutive companies in descending point total order. The order of selection will be based on the accrued priority points. The exhibitor with the highest number of acquired points will choose booth space first and so on. Each company has a maximum of 5 minutes to select booth space from a live floor plan. You must be ready to select your booth when your company name is called or you will be passed. Prior to

leaving on-site booth selection, your company representative will receive a confirmation letter with your booth number. If an exhibitor misses their scheduled meeting time, they will be accommodated as the booth selection schedule allows at the end of the scheduled time slot they arrive in.

- (b) After on-site space selection, booth space reservations will be open to the public and space will be assigned on a first-come, first-served basis by the date the booth space contract and deposit are received. If an exhibitor's first selection of space has already been assigned, HCCA will allocate the next-best available space. Upon receipt of contract and deposit, space assignment(s) will be sent within five to seven business days. If the exhibit hall space is sold out, notification will be made immediately by phone and the organization applying to exhibit is placed on a waiting list. HCCA assumes that the exhibit space assignment is accepted unless HCCA receives a written denial within 7 days of notification. Assignments made within 30 days of the start of the conference are assumed to be final at the time that they are made. Date of notification is the date HCCA emails the notification. HCCA reserves the right to modify the floor plan or move the exhibitor's booth location to accommodate floor plan configuration or traffic flow.

3. Exhibitor use of space. Exhibitors may not assign, sublet, or apportion the whole or any part of their allotted space. In addition, exhibitors may not advertise or display products or services other than those manufactured or sold in their regular business. Exhibitor or Sponsor company descriptions in the on-site conference guide will be limited to one company name and identity listing. The distribution of samples, souvenirs, publications, etc., or other sales or sales promotion activities must be conducted by exhibitor only from within its space. The distribution of any article that interferes with the activities or obstructs access to neighboring booths, or that impedes aisles, is prohibited. This includes placement of display racks, banners, brochures or other items outside of the designated space rented by the exhibitor, as well as the offering of food or beverages.

4. Exhibitor code of conduct. All exhibitors agree to abide by the following code of conduct, and agree to HCCA's right to take immediate action to restrict or evict exhibitor and/or its personnel from the conference in the event of Code of Conduct violations. In the event of such eviction or restriction, exhibitor will forfeit all moneys paid for the conference, and may be subject to restrictions or prohibitions on attending future HCCA conferences.

- The exhibitor and its personnel shall conduct and operate its exhibit so as not to annoy, endanger or interfere with the rights of other Exhibitors, conference attendees, and visitors or HCCA staff.
- HCCA reserves the right to prohibit any exhibit and/or exhibitor that, in its sole discretion and judgment, is inappropriate, offensive, or may detract from the general character of the conference.
- HCCA reserves the right to remove, without compensation, any exhibit and/or exhibitor that, in HCCA's sole discretion and judgment, is inappropriate, offensive, or may detract from the general character of the conference.
- HCCA reserves the right to require the removal of any exhibitor personnel who engage in behavior which, in the sole discretion of HCCA, is determined to be objectionable to other exhibitors, conference attendees, and/or HCCA staff.
- Any demonstrations or activity that may result in obstruction of aisles or that prevent ready access to nearby exhibitors' booths shall be prohibited.
- The audio level of any playback equipment, audio, video and/or demonstrations must be at a level so as not to disturb or be heard by adjacent exhibitors and their patrons. HCCA reserves the right to restrict exhibits to a minimum noise levels.

5. Exhibitor/sponsor-hosted functions. Only exhibiting companies and sponsors may host functions at the conference. Functions may not be scheduled at times that conflict with conference sessions or receptions.

Terms and conditions

6. Cancellation

- (a) Cancellation or Reduction of Booth by HCCA. An exhibitor's failure to submit payment can result in the cancellation of the assigned space. In addition, HCCA has the right to cancel, reduce, or redistribute allocated booth space upon reasonable cause or due to events that make performance impossible. In the event of such an occurrence, HCCA will provide written notification and agrees to negotiate in good faith toward refund or reduction of the exhibit fee. If any part of the exhibit area is damaged, or the exhibitor is not permitted to occupy their assigned space, the exhibitor will be charged only for space that was actually occupied. HCCA is released from any and all claims for damages that may arise in conjunction with the above. In the event the meeting is cancelled due to disasters, strikes, government regulations, or causes preventing its scheduled opening or continuance, HCCA and its exhibitors agree that this agreement will be terminated. Considering expenditures and commitments already made, HCCA will determine refunds on an equitable basis.
- (b) Show cancellation policy. The parties agree that if the HCCA Compliance Institute is cancelled in whole or in part, or its scheduled opening is cancelled or delayed, due to fire, explosion, strike, freight embargo, act of God, act of public enemy, act of war, war, act of terrorism, civil disturbance, act of any government, de jure or de facto, or governmental declaration or regulation, epidemic or other event over which HCCA has no control, then the exhibitor contract may be immediately amended by HCCA, and the exhibitor hereby waives any and all claims against HCCA for damages, reimbursement, refunds, or compensation.
- (c) Cancellation by Exhibitor. A 50% deposit is required for all booth rentals. Balance must be paid in full by 3/16/2018. Cancellation fee for exhibit space is the 50% deposit if cancelled before 3/16/2018. No refunds will be made after this date. Deposits are non-refundable.

7. Installation and dismantling of exhibit. Installation must take place during the times indicated, unless HCCA has previously provided written approval for installation at other times. Space not occupied by the start of the conference returns to HCCA for discretionary use. Dismantling begins at the conference's close and must be completed by the time indicated. Exhibitors dismantling prior to conference close will lose all points accumulated in the previous twelve months. Note: The exhibitor assumes all financial responsibility for installation and dismantling of the exhibit.

8. Booth construction. An in-line booth is one or more standard 10' x 10' units arranged in a straight line. In-line booths have only one side exposed to an aisle. The maximum height of 8' is allowed on the back wall and the rear half of the booth space, with a 4' height restriction imposed on all materials in the remaining space forward to the aisle. The maximum back wall height limitation of 8' includes signs, company name, logo, or product information.

Regardless of the number of in-line booths used (e.g., 10' x 20', 10' x 30', etc.) display materials should be arranged so they do not obstruct sight lines of neighboring exhibitors. Each in-line booth will have an 8'-high draped back wall and 3'-high draped dividers defining the sides of the space. The backside of an in-line booth must not be visible and must not be used for storage.

Corner Booth. A corner booth is a linear booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All other guidelines for linear booths apply.

Island Booth. An island booth is any size booth exposed to aisles on all four sides. All other guidelines for linear booths apply.

Dimensions. An island booth is typically 20 feet by 20 feet.

Use of Space. The entire cubic content of the space may be used up to the maximum allowable height, which is usually a range of 16 feet to 20 feet (4.88 meters to 6.10 meters), including signage.

9. Registration and housing. Registration information will be available on the HCCA website. Exhibitors are encouraged to book their hotel rooms through the HCCA's room block at the conference venue.

10. Meeting rooms. To request meeting room space, please contact the HCCA.

11. Exhibitor service kit. All exhibitors receive an exhibitor service kit electronically, including order forms for ancillary services at the conference.

12. Union. Local union jurisdiction applies. Detailed information will be provided to exhibitors in the Exhibitor Service Kit.

13. Security. Although security guard service may be furnished, neither HCCA nor the Facility will be responsible for damage to, loss, or theft of property belonging to any exhibitor, sponsor, their agents, employees, business invitees, visitors, or guests. Security information will be available in the Exhibitor Service Kit.

14. Indemnification. Exhibitor or Sponsor shall defend, protect, indemnify, save, and hold HCCA, and its officers, directors, employees, and agents, the Facility in which HCCA meetings are being conducted, and all agents and employees thereof (hereinafter collectively called "Indemnitees") forever harmless from any damages or charges imposed for violations of any law or ordinance, whether occasioned by the negligence of the exhibitor and/or its personnel, employees and agents, and further, exhibitor shall at all times defend, protect, indemnify, save and hold harmless the Indemnitees against and from any and all losses, costs damages, liability, or expenses (including attorney's fees) arising from, or out of, or by reason of any accident or bodily injury or other occurrences to any property, person, or persons, including the exhibitor, its agents, employees, and business invitees, which arise from, or out of, or by reason of said exhibitor's participation at the conference, the negligent or willful conduct of its personnel, employees and agents, and/or its occupancy and use of the facilities, or any part thereof.

15. Exhibitor insurance. All property of the exhibitor is understood to remain under its custody and control in transit to and from or within the confines of the Facility. HCCA and the Facility do not maintain insurance covering exhibitor's conduct or property. Exhibitor shall carry Comprehensive General Liability coverage, including premises, operations, and contractual liability coverage of at least \$500,000 for Personal Injury Liability and \$500,000 for Property Damage Liability and Statutory Workers' Compensation insurance in full compliance with all federal and state laws. A certificate of insurance shall be furnished if requested by HCCA.

16. Facility rules. Exhibitors and sponsors shall strictly comply with all conditions imposed by the Facility in its contract with HCCA, and with the rules and regulations of the Facility.

17. Damage to property. The exhibitor is liable for any damage caused to Facility floors, walls, columns, standard booth equipment, or other exhibitors' property. The exhibitor may not mar, tack, make holes, or apply paint, lacquer, adhesives, or other coating to building columns and floors or to standard booth equipment

Terms and conditions

18. Americans with Disabilities Act. Exhibitor represents and warrants (i) that its exhibit will be accessible to the full extent required by law;(ii) that its exhibit will comply with the Americans with Disabilities Act (ADA) and with any regulations implemented by the ADA; and (iii) that it shall defend, indemnify and hold HCCA harmless from and against any and all claims and expenses, including attorneys' fees and litigation expenses that may be incurred by or asserted against HCCA, its officers, directors, agents, or employees on the basis of the exhibitor's breach of this paragraph or noncompliance with any of the provisions of the ADA.

19. Mergers. In the event of a merger of two or more exhibiting or sponsoring companies, the following rules will apply: One main contact will be designated by the purchasing company to HCCA, for all related correspondence and questions. The exhibiting or sponsoring company will have one identity in the on-site conference guide. A courtesy listing (example: ABC Company, see WorldAlliance), within one year of the acquisition or merger, will be provided if requested in writing. The same cancellation policy of fees and dates will apply to mergers regardless of the ability of HCCA to resell the booth space. Priority Points will not be combined for companies that merge. This allows the company with the highest point total to keep the priority ranking they have achieved.

20. Market research and surveys. Exhibitors and sponsors are not permitted to conduct surveys of conference attendees during the conference.

21. Promotion during conference. Exhibitors are not allowed to place brochures, stickers, signs, pens, posters, or marketing materials anywhere other than within their own booth space.

22. Attendee information distribution. HCCA encourages exhibitor and sponsor efforts to communicate with HCCA attendees. However, in an effort to meet exhibitor needs and also protect the privacy rights of our attendees, the following provisions shall apply. Exhibitors may request either a business card or may scan attendee badge barcodes using lead retrieval equipment to obtain contact information for follow-up. For Barcode Lead Scans, HCCA agrees to release to the exhibitor, where it is authorized to do so, attendee name, title, company, work postal mailing address, work phone, fax and e-mail, as provided by the attendee. Unless otherwise individually agreed with each attendee, exhibitors shall (i) use attendee information in accordance with each attendee's reasonable expectations, (ii) limit the use of attendee information to contacting each attendee no more than twice and no later than within 30 days following the exhibition, (iii) put in place reasonable technical and organizational measures to ensure the security of attendee information, (iv) comply with the rights of attendees including any opt-out requests, (v) not transfer attendee information to any third party outside the exhibitor's group of companies, and (vi) comply with all applicable laws in relation to the use of attendee information. Regarding an Advance/Post Mailing List: HCCA may, at its discretion, also offer exhibitors the opportunity to communicate about their products and services through the pre-registered attendee postal address list and post-conference attendee postal address list, either or both of which may be available for purchase. This information is only provided to qualified HCCA exhibitors and sponsors on the terms of our Conference Attendee List One-Time Use License. Each list shall include attendee name, title, company and preferred postal mailing address as provided by the attendee. HCCA does not release attendee email addresses.

23. Children. Due to health and safety considerations, children under the age of 18 will not be admitted to the exhibit program or educational sessions.

24. Picture taking, videotaping/audio taping. Exhibitors are not permitted to photograph, audiotape or videotape sessions, exhibits, or any other part of the conference without express, written approval from HCCA.

25. Trademarks. Exhibitor/Sponsor grants HCCA, without the right to sublicense, a nonexclusive, revocable, nontransferable, royalty-free, worldwide license to use and display Exhibitor/Sponsor's company name and logo on HCCA website(s), print materials, and in other marketing media solely for purposes of promoting the Event and future events, provided that such use is in accordance with Exhibitor/Sponsor's established brand guidelines. If Exhibitor/Sponsor elects to become a branded sponsor for any portion of the Event, the use of Exhibitor/Sponsor's logo, marks, or artwork (collectively "Sponsor Artwork") on any Event merchandise or collateral is subject to the prior approval of HCCA, which reserves the right to reject any Sponsor Artwork that, in HCCA's sole discretion, fails to meet the defined specifications or general standards of quality for HCCA events. Exhibitor grants HCCA or anyone authorized by HCCA the right to use or publish, in print or electronic format, any photographs or video taken during the Event which contain images of Exhibitor's booth or space, including any trademarks, logos, or other images displayed in or on Exhibitor's booth or space, as well as any images or likenesses of Exhibitor's employees, contractors, subcontractors, or agents in the Exhibit Hall or at the Event.

26. Music licensing.

- (a) Exhibitor and HCCA acknowledge that any public performance of music during the Event requires a license. Exhibitor agrees to secure all licenses required for all such performances which occur in any area of the Hotel exclusively reserved for Exhibitor's use, including in an exhibit booth or sponsor area. Exhibitor shall also cause its subcontractors to secure all licenses for their public performances of music. For purposes of this provision, a public performance is one that occurs "in a place open to the public or at any place where a substantial number of persons outside of a normal circle of a family and its social acquaintances is gathered."
- (b) The foregoing provision applies to all public performances of music, including but not limited to live performances, as well as performances over television, radio, and by Internet or digital wireless service.
- (c) Should Exhibitor use television, movies, video, or other media in its exhibit booth or sponsor area (irrespective of whether music is incorporated in such media), Exhibitor shall also be required to secure all other licenses required by law for such performances.
- (d) If HCCA is contacted after the Event by a performing rights society or another entity seeking license fees for the unauthorized public performance of music or other media in an area exclusively used by Exhibitor, Exhibitor shall promptly either: (i) pay the applicable license fees within ten (10) days of notification; or (ii) contest the validity of the request for license fees, in which case Exhibitor shall indemnify, defend, and hold HCCA harmless from and against any claims, demands, judgments or liabilities arising from the failure to promptly pay all fees when due. This provision shall survive termination of this Agreement.

27. Exceptions. Any request for exceptions to these Terms and Conditions must be submitted in writing to HCCA at least two weeks prior to the conference start date. HCCA reserves the right to make exceptions to these Terms and Conditions in its sole discretion.
