INTEGRATE ETHICS IN TO THE COMPLIANCE PROGRAM

Ethics is the key to a successful compliance program, and training needs to include Ethics training besides training related to regulatory compliance with government laws. Ethics training focuses on values, mission and goals of the organization, and good decision-making on the job.

Any plan is bad which is not susceptible to change.

Dedication

After the cheers have died and the stadium is empty, after the headlines have been written, and after you are back in the quiet of your own room and the Super Bowl ring has been placed on the dresser and all the pomp and fanfare have faded, the enduring things that are left are: the dedication to excellence; the dedication to victory; and the dedication to doing with our lives the very best we can to make the world a better place in which to live.
