Health Care Fraud

The Attorney General's Office investigates and prosecutes fraud in the health care industry through the Medicaid Fraud Control Unit and the Workers' Compensation Fraud Unit. The Units also prosecute claimant and employer workers' compensation fraud, and investigate patient abuse and neglect in Ohio's care facilities.

The Health Care Fraud Section

The Attorney General's Office battles fraud in the health care industry through the Medicaid Fraud Control Unit and the Workers' Compensation Fraud Unit. The Medicaid Fraud Control Unit is responsible for the investigation and prosecution of health care providers accused of defrauding the state's Medicaid program. In addition, this Unit enforces Ohio's Patient Abuse and Neglect Law, which protects the mentally and physically disabled and the elderly from neglect and abuse in Ohio's long-term care facilities. The Workers' Compensation Fraud Unit is responsible for prosecuting claimants, employers and health care providers who defraud the Ohio Workers' Compensation Program.

In the last five (5) years (2014 – 2018), the Section has handled 5,280 complaints; posted 1,167 indictments; 1,100 convictions; 114 civil settlements; and recovered nearly \$165 million in restitution and penalties.
